THE TRACK

Roses by Dawn turns a late-night drive into a compact country-pop story told in real time. A man heads back before sunrise with twelve red roses on the passenger seat, leaving excuses behind mile after mile. Rhythmic acoustic guitars, punchy drums, modern low-end and an immediate chorus keep the track moving, while the time-stamped breakdown - 4:58, last red light, turn right - gives the song a cinematic signature before the final chorus.

RADIO FOCUS

Immediate title hook - duration 3:26 - English lyrics - natural male vocal - Contemporary Country / Country Pop - energetic driving groove - suitable for radio, road-trip, lifestyle, retail, events and modern country playlists.
